

**Join in the Vacation Bible School fun at The Presbyterian Church of Upper Montclair
Monday, June 25, 2018 through Friday, June 29, 2018
9:00 am-12:00 pm**

Dear Parent(s) or Guardian(s):

It is Vacation Bible School time and I need your help! This year I am very excited about our theme, Babylon: Daniel's Courage in Captivity! I invite you to spend the week here at PCUM showing the kids what it is to trust in God, just like Daniel and his friends! Together, the volunteer staff will help our children strengthen their faith in God through Bible stories, crafts, games, music, and fun. The program planners NEED your help to make this program fun and entertaining for the kids here at the Presbyterian Church of Upper Montclair. Below is an outline of the volunteer positions available. Please check all areas that are of interest to you. Come out and be a part of the Vacation Bible School Team!!!

Activity Center Leaders and Assistants: These volunteers will be responsible for leading mixed age classes through their various activities as well as leading small group discussions. Leader materials will be provided for you before our week together. These volunteers will help the children experience the entire program.

Guides: These volunteers will lead and assist with shepherding the children safely between centers and activities.

Please sign me up for one of the following activity at this year's Vacation Bible School:
